## Handgards®

- High Density Sandwich Bags are made of durable high-density polyethylene, a durable and flexible material, allowing users to take these bags from the freezer to the microwave without needing to repackage or transfer food.
- Can withstand temperatures down to -50°F and up to 220°F.
- Are especially easy to load due to their Saddle Pack dispensers. Saddle Packs are designed to be draped over Handgards Wire Saddle Pack Holders, holding the bag in place while it is being loaded. Users can then easily tear away filled bags along the perforation and seal in freshness with the built-in flip top closure.
