## Complete Buttermilk Pancake Mix 6/5# Item # 705011

- Taste the Gold Medal difference. Consistent, tolerant and easy to use in a "just add water" format, this mix is formulated to produce buttermilk pancakes with wheat base formula and sweeter vanilla flavor.
- Cost-effective, 5 pound bulk format for smaller operations.
- Recommended for commercial and cafeteria kitchens serving quality breakfast offerings
- Add water only formula has high water absorption rate for better yield (more pancakes per box). Exceptional after-mix hold time means little batter wasted from gassing out.

**Purity Portuguese Sausage**  
**Angole Slice 2/5# Item # 143444**

"The Rego family has a longstanding history in Hawaii. The Regos originally immigrated to Maui from the Azores Islands in the late 1800's and established their roots here. The Rego family in Hawaii subsequently included Scott's grandfather, Al. Al was introduced to the cattle raising and meatpacking industry at the Ulupalakua Ranch on Maui. Al worked for the Ranch for 17 years, where he learned about sausage making.

Based on Al's exposure to the meat industry, he and his brother Leonard jumped at the opportunity to buy the Purity Packing Sausage business in the mid 1950's.

The two brother entrepreneurs operated the business under joint ownership during the 1950's thru the 1970's. The company prospered during this time based on Al's focus on providing consistently high-quality sausages and Leonard's marketing savvy. With Leonard's passing in the early 1980's, Al assumed sole ownership of the company; which he then re-named as Rego's Purity Foods.

Al turned over the company reins to Scott in 1997 and as the third generation sausage maker, Scott continues to make award-winning sausages for Hawaii."

## 6 Great reasons to use Simplot's Ready-to-Eat products

Simplot Ready-to-Eat (RTE) Vegetables make prepping salads, grab-n-go items and meal kits a breeze – just thaw and serve.

- **Cuts Labor:** Just thaw and serve. No cooking and chilling steps are required.
- **Reduces waste:** Store refrigerated for up to 6 days – helpful when traffic is hard to predict.
- **Conserves freezer space:** The option to refrigerate frees up valuable freezer space.
- **Versatile:** Ideal for cold applications like salads and salsas. Or heat for hot applications.
- **Consistent:** Enjoy the same farm-fresh flavor and color, day in, day out.
- **Food Safety:** Prepared in our high care processing environments.
